Blue Prints Dog Studio General Policies

At **Blue Prints Dog Studio** our main objective is always safety first! Additional policies are also required to ensure a beneficial relationship between Blue Prints and its Patrons.

- If your dog is not feeling well, please **do not** bring them to daycare.
- You must reserve a slot in the daycare. You can lock into set days or call ahead.
- **Blue Prints** employees have consent to have your dog treated by a veterinarian if the need arise.
- You must allow your dog ample time to potty before coming into daycare. Please walk your dog across from the building. Do not let them potty on the building' trash can or cones.
- All dogs must come in on a leash no longer than 6' and hold onto the leash until a staff member brings them into the daycare.
- Please clean up after your dog, whether it is needed outside or in the lobby. Bags, paper towels & cleaner are available...please ask the staff.
- There is a \$10.⁰⁰ cancellation fee if you do not give us 24 hours notice that your dog is not attending.
- If we do not see your dog in the daycare within 30 days, they must be re-screened.
- A LATE FEE of \$1.⁰⁰ per MINUTE will be added to any dog that's picked up after 6:30pm. All rates will be adjusted after a 15 minute grace period.
- It is recommended that you feed your dog **AT LEAST** 1hr prior to arrival and to wait 1hr to feed after getting home. This will help prevent vomiting and bloat. It is VERY exciting for them to come and play with their friends **AND** just as exciting to get back home and rest!
- **Please inform our staff of any medical conditions prior to coming to daycare.**
